AQUATIC CENTER TO MAKE IMPROVEMENTS

By Lauren Siebenaler, Communications Intern

The community's youngest water lovers will have something new to enjoy this summer when the Edina Aquatic Center opens for the season June 3.

A new play structure will be installed in the zero-depth pool and two new filters will improve water quality and clarity. In 2018, swimmers can expect a new speed slide and new exterior gel coats on the existing two slides. These are part of continual improvements made to the Aquatic Center since it opened in 1958.

Marni Lamberty is a teacher in Edina who has taken her children, Eden, 9, and Wilson, 7, to the Aquatic Center every summer. "I'm excited for the new play structure. I think it will be really fun for the families to see that, and

more of the kids that go into the bigger pool will check it out, too," she said.

The existing play structure in the zero-depth pool is 20 years old and is starting to deteriorate. It is ready for a makeover.

"Our zero-depth area is geared toward families with kids 8 and under and it is busy all the time," said General Manager Patty McGrath. "I think putting in a new play structure is going to modernize the facility. Some of the other improvements at the facility haven't been aimed at that 8-and-under group. So, this will be a very specific improvement for those families. People love that play space with the zero-depth and it's really good for our younger guests."

The two existing slides have no structural problems, but will be refurbished with gel coats. The slides are about 15 years old and the fiberglass has faded over time. After years of being in the hot sun and freezing Minnesota winters, the slides have lost their shine, so this gel will restore that and make them look like new.

A speed slide will be added to the existing tower with the other slides.

"The slide tower is 30 feet tall, so you get the drop and then it will have its own run-out," McGrath said. "Our other slides drop into a pool, but this one will come into a run-out. There really aren't any other aquatic centers around the metro area that have a slide like this."

"I'm excited to see the changes," Lamberty said. "I think the new speed slide will be awesome, and my kids will definitely want to try it. I think it will definitely improve the facility. It's always crowded there, but even on those crowded days, we have so much fun there. This will definitely attract more people there to try out the slides."

Aquatic Center staff is excited about the installation of two new filters. The same type of filter was put in the 50-meter main pool for the summer 2016 season. It improved the water quality and clarity immensely. So, the next step is to replace the filters for the drop-in pool and the zero-depth pool. Each pool has its own filtration systems to keep the other pools running if one needs to temporarily close.

"The filter part is probably the least exciting for guests, but we had just replaced the filter on the main pool prior to the 2016 season and we were really, really happy with our water clarity and our ability to maintain our big bather load," said McGrath. "In the afternoon on a busy day, you can start to get cloudy water, but we didn't see any of that last season. So, it helps our operations continue on."

The top priority for the 2017 summer season is to put in the two new filters and zero-depth play structure. The other two slide projects should be ready for the 2018 season.

"We don't want the Aquatic Center to be in disarray or the construction to have a negative impact on this season," said McGrath. "We feel like we can put in the new structure at the zero-depth pool and that's not going to impact a big area. Building the slide is going to take longer and there's more that could lead to delays. So we're going to wait until after this season to start that construction."

Aquatic Center season passes are available for purchase with a pre-season discount online at EdinaAquaticCenter.com until April 30. For questions about the Edina Aquatic Center improvements, contact McGrath at pmcgrath@EdinaMN.gov.

The Flag Football program is for boys entering Grades 6-12 in the fall. This is a non-contact sport. Velcro flags are worn and pulled off for a "tackle." Teams will be divided into two separate leagues (6-8th graders and 9-12th graders). No experience is necessary and everyone plays. The primary objective of this program is to have fun! Program is held on Saturday mornings from Sept. 9 to Oct. 21 at Highlands Park. Practices are typically 30 minutes before game time. Final games will be under the lights (dates TBD) at Kuhlman Field. Registration opens June 5 and close when leagues are full or by July 28, whichever comes first.

2017 SUMMER GAMES AT CENTENNIAL LAKES PARK

TENTATIVE OPENING DATE: SATURDAY, MAY 6

Putting Course

It's not miniature golf, it's golf in miniature! Centennial Lakes Park's 18 manicured bent grass greens range in length from 57 to 125 feet and are surrounded by sand traps, ponds, boulders and planter beds.

Players use only a putter to negotiate these heavily undulated greens. This Par 51 layout is 1,662 feet in length and takes approximately 1 hour and 45 minutes to play.

All ages and abilities are welcome. However, due to the difficulty of the course, it is recommended that players be at least 8 years old.

CENTENNIAL LAKES PARK

EVENTS

Please note that group reservations on the putting course are only available Monday through Friday until 5 p.m. No reservations can be made for weekends or evenings.

Lawn Games

The park features championship-caliber croquet and lawn bowling courts. These lush bent grass lawns are some of the finest in the Midwest.

Courts may be rented by the hour, with all equipment and written instructions included in the court fee. The park also hosts a variety of tournaments and leagues throughout the summer.

Paddleboats

For a more leisurely activity, take a lazy ride along the waterways of Centennial Lakes on one of our sturdy four-person paddleboats.

The park's lake consists of large bodies of water in the north and south ends connected by a channel that runs under bridges, along the putting course and past the Hughes Pavilion. Paddling by boat is a great way to see the park.

Group Outings

Organize your own tournament or call ahead and we will be happy to assist you with all of the details of your event. Afterwards, visit any of the great restaurants along our lakeshore, or retire to the Hughes Pavilion where you can have your caterer serve up a special meal. Call 952-833-9583 for more information.

BEGINNING DRAWING

Donna Webb

Artists are "see-ers." They literally see the world around them in a different way than the rest of us. Yet, all of us have the ability to be "see-ers." To learn how to draw, we must first learn to "look" without perceptions. We will practice this artist's way of looking and drawing from observation, and experiment with a number of drawing techniques that have been used by artists over the centuries. This class is geared toward beginners, but is suitable for those who wish to refresh their drawing skills, or just need a class or assignment to get them going. *This class meets at Edina Senior Center, 5280 Grandview Square. LIFE DRAWING

Louise Gillis

This gives students the opportunity to learn how to finish a drawing incorporating form, anatomy, beauty of line and "sculpting" the body from within. Teens are welcome to take the class with adult permission. Maximum 10.

The Edina Art Center is pleased to present new literary events on Saturday mornings in the Margaret Foss Gallery!

DANNY WHO? FOUR DECADES OF IRISH MUSIC AND MISCHIEF

A concert, reading and author Q & A with Writer/Performer/Musician Tom Dahill

Saturday, Feb. 25, 10-11 a.m. | Free Event!

Join us for a reading, performance, Q&A and book signing with Irish-American performer Tom Dahill, author of "Danny Who?", a memoir published by Celtic Collaborative Press in early 2017.

Tom Dahill once said, "I wanted to be good, but I didn't know how." This irreverent and witty memoir recounts the adventures of Dahill, Minnesota showman and performer. Growing up the third of seven children in St. Paul, Dahill is the family troublemaker. He gets caught smoking in the second grade, sets fire to his parents' wardrobe as an adolescent, and receives a felony stuffed-bear theft conviction as a teenager. Eventually abandoning mischief for music, he encounters a colorful cast of Irish musicians and characters across America and Ireland. Dahill will read from his memoir and perform songs in the rich and vibrant Irish tradition.

Over the past four decades, Dahill has contributed to the revival of interest in Irish music. Dahill appears regularly at many local venues, including The Dubliner Pub and Café in St. Paul. Watch Dahill on YouTube, <https://www.youtube.com/watch?v=xW9PXHtDJe0&sns=em>.

BETWEEN TWO WORLDS: FROM KOREA TO MINNESOTA

A reading, author Q & A and book signing with Kate Gjerde/Kate Ann Kang

Saturday, March 18, 10-noon | Free Event!

Given Away is the portrait of a childhood spent in two very different worlds, Korea and America: one forgotten, one remembered. It is a story of race and of belonging; a story that asks the complicated questions of home, family and self as the author untangles the unlikely strands that formed her destiny.

Kate Gjerde has written under the pen name Kate Anne Kang, in honor of her mother's family name. She lives in St. Louis Park with her easy-going husband, two children and the best running dog ever, Otto.

WRITE FUNNY OR DIE - FINDING THE HUMOR IN CRIME WRITING

Learn how some of Minnesota's best-known crime writers make the mysterious a little more humorous. The panel of local mystery writers will read brief excerpts from their work, take questions from the audience, and provide some laughs along the way.
